2.14 Significant contributions made by IQAC

1. OBE curriculum:

The Curriculum is designed based on the Outcome Based Education (OBE). The course content of each course shall be fixed in accordance with the Program Educational Objectives (PEOs), Program Outcomes (POs) and Course Outcomes (COs).

The Blooms Taxonomy of Evaluation System is followed for Question Paper Setting and Evaluation.

2. Training & Development

Training is the key factor of success in Career achievement. In order to ensure better performance of the students in the campus recruitment process, the college felt to enable the potentiality of students to face interviews and easily get through the preliminary tests and process, therefore it was decided to offer the essential preparation of every student on Basic communication, Aptitude, Reasoning ability and Soft skills.

We have brought the training component at all levels inside the curriculum. Accordingly through liberty of innovation through Autonomy, SNRSC has incorporated a special unique course namely "Personality Aptitude and Career Enhancement – PACE" stretching from semester 1 to 5 carrying 7 credits in total.

3. Alumni coordination

Alumni Association is one of the strongest with a separate co-ordinator for the same. It conducts interactions every year. The Alumnus of the college helps the Institution by the way of providing placements, Intern and scholarship. In the year 2016-17, our Alumni provided a total scholarship of Rs. 4,89,650 for 39 deserving students who are economically poor.

Entrepreneurship Development initiatives:

The Entrepreneur Development Cell was started in the year 2003, with the purpose of promoting Entrepreneurship as a career option for students. Technology and Globalization are ushering an era of unprecedented change. Perhaps there is no mantra as strong as today, as one about the need and pressure for change and Innovation. Business and Nations have to respond innovatively to these developments to continue their growth. As the need for Emerging Technology of today's world, SRCAS has incorporated an Entrepreneurship Development Cell for the Budding Entrepreneurs.

Major activities at E-cell:

- Entrepreneurship Development Cell has taken efforts to raise concern of students for self-employment and reduce the anxiety and stress for their utilization after the completion of studies.
- Inculcating Entrepreneurial values among the students in order to develop knowledgeable and Technological Entrepreneurs through the Guest Lectures, Seminars, Training and Workshops.
- Assisting the student Entrepreneurs in establishing New Business, Developing and maintaining their enterprises through business advisory and consultancy services.
- Conducting awareness program camp for students and also assist them to interact with entrepreneurs.
- Organizing Boot camps for E leaders.
- Assisting women students in Entrepreneurial skills.

Criterion – VI

6. Governance, Leadership and Management

6.1 State the Vision and Mission of the institution

VISION

“To Explore, Experiment and Excel in the field of Higher Education globally”

MISSION

“Our mission is to educate the youth to meet the global challenges and enable them to excel in the field of their choice and instill in them a sense of social responsibility through enriched trainings and research”

6.2 Does the Institution have Management Information System?

Management Information System (MIS) is an integrated web and mobile based application tool in the planning, control and decision-making activities of our Institution. It provides a simple interface for maintenance of all information. It establishes the data availability in all levels on a need to know basis at the right time. It provides integrated database and customized report systems.

OBJECTIVES

- Providing the online interface for students, faculty, administrative staff etc.
- Increasing the efficiency of college record management.
- Decrease time required to access and deliver student records.
- To make the system more secure.
- Decrease time spent on non-value added tasks.

➤ ADMINISTRATOR

- Effective communication between teachers, parents and students.
- Complete automation of all operations.
- Zero redundancy in managing the institutions records.
- Able to Access, Control and view the institutional activities Like Admission Details, Students information, Staff Details, Fees collection details, Academic progress, Inventory Status, outstanding details, Transportation details, Payroll details, Accounts, Exams and Results details, from anywhere in the world through PC/ Mobile/ Tablet.
- Get Easy Admission Enquiry from online.
- Simple admission process.
- Centralized data repository for trouble-free data access.
- Easy performance monitoring of individual modules leading to uncomplicated error detection.
- User friendly interface requiring minimal learning and IT skills.
- Minimal data redundancy
- Complete database of staff both Teaching and Nonteaching is maintained in MIS. Details about Faculty achievements like publications, Conferences, Seminars, Faculty Development Programs, Patents, Research projects can be uploaded here. Automated and quick report generation.

➤ FACULTY

- Automated student attendance
- Easy management of marks and grades
- Timetable creation in advance
- Availability of more time for students
- Access to a forum common to students and staff
- Better organization of College Activities
- Study Material Upload
- Attendance of staff members is registered with Biometric thumb impressions and maintained through MIS. Staff members can apply leave and permission online whereas HODs can approve them online. Salary Calculation based on Leave, LOP, Permission is automated in MIS and Pay slip report is generated. Employee Monthly Attendance Report can be taken from MIS.
- Recruitment of Staff can be done Online. Applicants can register through online where based on our Eligibility Criteria they are filtered.

➤ STUDENT

- Enhanced interaction with teachers
- Access to attendance, timetable, marks, grades and examination schedule
- Prior information about college events and holidays.
- Can download day to day Study materials through Mobile application.
- Students can give their feedback about their subject staff through Mobile phone using our MIS. Feedback report about the staff members can be generated easily. It is possible to construct Feedback Department wise, Batch wise, Semester Subject wise, Staff Placement training wise and for third party training also.
- Parents and Students can be communicated instantly through SMS facility.

➤ EXAM SECTION

- Online Exams are conducted through MIS. Staff Members upload internal marks in MIS. Continuous Internal Mark Assessment reports are generated with the help of MIS.

➤ LIBRARY

- All the vital activities of Library are automated. It includes OPAC Search, Stock Verification, Journals Subscription Alert and date wise reports and Student/Staff Gate register.

➤ TRANSPORT

- Information about Vehicle, Driver, Vehicle service, Passenger, Route is maintained. Transport fee is integrated with Online fee payment.

➤ ADMISSION

- The automation of admission process starts from Candidate Online Enquiry to Candidate to student Conversation. Register number to the students is automatically generated. Complete information about a student is maintained.
- The fee management is one of the complex areas in the college administration. With our MIS, an online portal for fee payment is integrated and students are paying their Fee through online (Card Payment/Net Banking).

Mobile Application for Faculty members and Students

- An android application is used by our faculties for posting day to day attendance, topic covered in each class, leave and permission apply, alternate arrangement for classes, leave and permission approval by HODs and also over time apply. The mobile attendance systems helps in eliminating the time and effort wasted in taking attendances. It also greatly reduces the paper resources needed in attendance management system.
- Students can view their whole academic activities through mobile phone. They can know about their daily class schedule, Exam timetable, Internal exam marks, online test mark through this application.
- Any information can be passed through circulars or Events instantly that can be viewed by the students.
- Study Materials that are uploaded by the faculty members can be downloaded whenever needed through this application.
- Students can give online feedback to the faculties through this mobile application.
- Students are having access to their Fee structure, pending fee and fee receipt.
- Teacher can create and upload test, after that teacher needs to activate and the test will be available for students from their android devices.

THE TRUST AND THE COLLEGE

S.N.R. Sons Charitable Trust was founded on 09.02.1970 in order to fulfil the dreams of Sri. S.N. Rangaswamy Naidu, a great philanthropist and a man of vision. He was an ardent devotee of Sri Ramakrishna Paramahansa and his interest in man was as compelling as in God. He wanted to dispel ignorance and eradicate disease especially from the poor, by providing them with education and medical relief.

The four sons of this great humanist who founded the trust set themselves to the task of realising their beloved father's ambition and had a humble beginning by establishing Sri Ramakrishna Kalyana Mandapam, a Community Hall meant for religious discourses, seminars, conferences and other intellectual activities. Owing to their indefatigable industry and unflagging ardour, now the trust owns:

SRI RAMAKRISHNA KALYANA MANDAPAM - Community Hall, Siddhapudur

SRI RAMAKRISHNA HOSPITAL - a multi speciality 700 bedded hospital, Siddhapudur

SRI RAMAKRISHNA MATRICULATION SCHOOL, Avarampalayam

SRI RAMAKRISHNA INSTITUTE OF PARAMEDICAL SCIENCES, Siddhapudur

SRI RAMAKRISHNA CHILDREN'S SCHOOL, Vattamalaipalayam

SRI RAMAKRISHNA ENGINEERING COLLEGE, Vattamalaipalayam

SRI RAMAKRISHNA POLYTECHNIC, Vattamalaipalayam

SRI RAMAKRISHNA COLLEGE OF ARTS & SCIENCE FOR WOMEN, Siddhapudur

SRI RAMAKRISHNA VRIDHASRAMAM, Avarampalayam

SRI RAMAKRISHNA DENTAL COLLEGE, Avarampalayam

SRI RAMAKRISHNA INSTITUTE OF TECHNOLOGY, Pachapalayam

S.N.R. SONS COLLEGE (Autonomous), Avarampalayam

The Trustees who have whole heartedly committed themselves to the great cause of service of mankind, toil so hard that the institutions have grown in all their splendour and grace. They provide the poor with remedies against even the gravest physical and mental illnesses. It is their humble desire to make available to the community at large the benefits of the astonishing advances made in Medical Science. They summon up all their resources, ponder, plan and face the challenges of future education diligently and boldly.

S.N.R. Sons College, situated at the heart of the Coimbatore city, is one of the reputed institutions of the trust. Since 1987 the college renders its invaluable service to the society with its need based curriculum and quality education. Being an autonomous institution, the college is equipped with quality resources and infrastructure facilities for imparting need and career based education using contemporary teaching techniques by the motivated, experienced and dedicated teachers.

The highlights of our institution are:

'A' Grade in the 3rd cycle of NAAC Re-accreditation in 2014 and the award "Best Private Institute for Arts & Science in India" by ASSOCHAM & the Education Post during the Education Excellence Awards in 2015 prove the substantially standardized consistent growth of the institution in the field of higher education. SNR Institute of Management Sciences, the leading B-School in the Coimbatore region, is committed exclusively to develop business leaders. It has been ranked under Top 50 Private B-Schools in India by Career Link Magazine in the month of January 2016. SNR Sons College has been ranked as one among the Top 50 Arts and Science colleges in India by THE WEEK MAGAZINE in June 2016. SNR Sons College is the first Arts and Science College in Tamil Nadu accredited by Confederation of International Accreditation Commission in June 2016.

The College has signed MoU with leading industries like Roots group of Companies, Infosys, TCS, Institute of Cost & Management Accounting of India, Taj Hotels, Telecom Sector council of India, UTL Technologies AML Consulting Services Institute of Embedded Systems and Confederation of Indian Industries. The college also has membership in Coimbatore Management Association, CII-IWN (Indian Women Network), Computers Society of India, Oracle Academy and NPTEL and ICTACT.

FACILITIES IN THE COLLEGE

LIBRARY

The college has a well-equipped library consisting of more than 35,503 volumes of books on different branches of knowledge in a spacious area of 6,000 sq.ft. There are 149 journals, magazines and weeklies which enhance the knowledge of students and keep them abreast of the latest developments in Arts, Science and Technology. Falling in line with the latest trends, the library has been computerised, which facilitates easy access to books. Browsing through Internet is provided for the students in the library. The students and scholars can do on-line access through EBSCO, IEEE, J-Gate, N-List, CRISIL etc.

LAB

The college has three spacious computer labs with adequate number of systems, softwares and accessories like printers, scanners and CD writers. All systems have Ultra high - end configuration. The students of Electronics are given practical training in three well-equipped labs with all facilities. They are trained in E-COM, WAP and other programmes such as Computer Maintenance Programme, Electronic Equipment Servicing and designing of mini equipment like Television, Transistor, Fire alarm, Burglar alarm, Water-level indicators etc., to get better placements. The students of Catering Science and Hotel Management are exposed to practice and training through well furnished cookery lab, restaurant, housekeeping and front office.

NSS, NCC AND YOUTH RED CROSS

There are three NSS units and one NCC unit which instill the idea of social service by organising camps not only in rural areas but also in urban areas. Blood donation camps are organised to pool in life-saving blood. On important occasions and during festivals, NSS and NCC students help to regulate the traffic and assist city police. They conduct various awareness programmes too.

COMMUNICATIVE ENGLISH

The UG & PG Students should handle seminar under internal assessment system which helps them to improve their presentation skills. The curriculum in Part II English is based on communicative English.

TEACHING AIDS

To enrich and improve the knowledge of students, video conferencing has been installed. Students can interact with the subject experts through video conferencing. In addition to that, other teaching aids like, LCD, DVD, TV, OHP etc., are also used.

COUNSELLING CELL

Each Department has a counselling cell to provide proper guidance, help and advice to students from time to time. The personal problems of students are sorted out through this cell. Valuable suggestions and timely advice is offered to students who are in need of counselling.

PLACEMENT CELL

The college procures good placements for students in reputed organisations through placement cell. The placement cell works along with the individual Department placement cells to provide enviable jobs opportunities for students. The function of this cell is to arrange campus interviews and to provide necessary placement training programmes. Prior counselling, proper guidance, offered to enable students to come out successful in interviews. *are repeated tests and mock interviews.

DEPARTMENT ASSOCIATIONS

Each Department organises Seminars, Conferences, Workshops Special Lectures and Inter-Collegiate Meets to provide practical exposure to students in different fields.

RESEARCH ASSOCIATION

The college has a Research Association, which organises Seminars, Workshops and conferences for the benefit of M.Phil. and Ph.D. Scholars.

SPORTS COMMITTEE

The college has a Sports Committee, which helps in building good physique enabling the students to have "a sound mind in a sound body". The committee trains the students and makes them fit to participate in Inter-Collegiate Sports Meet. Every year the college conducts Sports Day and two Inter-Collegiate Meets - SNR Cricket Trophy and SNR Volleyball Trophy.

MANAVAR MANRAM

To bring out the latent histrionic talents of students, Manavar Manram organises cultural activities and inter-collegiate cultural extravaganza. Periodically, lectures on value-based education by eminent persons are arranged by manavar Manram for the benefit of the students.

INDUSTRIAL TRAINING

Each Department arranges periodical industrial visits to provide practical exposure to students, apart from the regular curriculum. These visits widen the intellectual horizon of students and facilitate them in proper completion of their project.

TUTORIAL SYSTEM

Each Department maintains tutorial records of students pertaining to their marks, academic performance, conduct and all possible details of students. This enables the students to make their learning process a fruitful one.

HOSTEL FACILITY

There are separate hostels for both boys and girls with adequate facilities.

ALUMNI FORUM

Each Department has Alumni Forum which meets periodically.

ENTREPRENEURIAL DEVELOPMENT CELL

The function of this cell is to invite experts from various funding agencies as well as industrial organisations to motivate the students. The successful entrepreneurs share their knowledge with the students to enrich their entrepreneurial talent.

DIRECTOR'S DESK

We should face our problems instead of running away from them.

In his New York lecture, Swami Vivekananda narrated the following life story so as to motivate people to be up and running. Once Swami Vivekananda visited Saranath near Varanasi. While returning from Shri Durga temple few monkeys ganged up on him and blocked his way. He thought of running back, but he saw monkeys

everywhere. The monkeys started attacking him. They were all screaming and making scary noises. A startled Swamiji wasn't sure what to do. At that moment he heard a voice which said; "face them, face the animals." Swamiji, who by then was determined to face the monkeys, stared at them without fear. This determined look of his terrorised the monkeys which eventually ran away scared.

PRINCIPAL'S DESK

SHAKE IT OFF AND STEP UP!

This parable is told of a farmer who owned an old mule. The mule fell into the farmer's well. The farmer heard the mule praying. After carefully assessing the situation, the farmer sympathized with the mule, but decided that neither the mule nor the well was worth the trouble of saving. Instead, he called his neighbours together, told them what had happened, and enlisted them to help haul dirt to bury the old mule in the well and put him out of his misery.

Initially the old mule was hysterical! But as the farmer and his neighbours continued shovelling and as the dirt hit his back, a thought struck him. It suddenly dawned on him that every time a shovel load of dirt landed on his back, **HE WOULD SHAKE IT OFF AND STEP UP!**

This he did, blow after blow. "Shake it off and step up... shake it off and step up... shake it off and step up!" He

repeated to encourage himself. No matter how painful the blows were, or how distressing the situation seemed, the old mule fought panic and just kept right on **SHAKING IT OFF AND STEPPING UP!**

It wasn't long before the old mule, battered and exhausted, stepped triumphantly over the wall of that well! What seemed like it would bury him actually helped him up... all because of the manner in which he handled his adversity.

Life becomes all the more beautiful and optimistic, if we face our problems and respond to them positively, and refuse to give in to panic, bitterness, or self-pity. Positive thinking plays a vital role in deciding the future of a person. The situation may bring you down, make sure that you rise up again to reach the pinnacle of success.

In OUTCOME BASED EDUCATION and CHOICE BASED CREDIT SYSTEM Pattern with effect from 2016-2017

The following Regulations shall be applicable for all the P.G. Degree Programmes offered S.N.R. Sons College, Coimbatore from the academic year **2016 – 2017** onwards.

Note:

The regulations hereunder are subject to amendments as may be made by the Academic Council of the Institution from time to time. Any or all such amendments will be effective from such date and to such batches of the students (Including those already in the middle of the course) as may be decided by the Academic Council.

STRUCTURE OF THE PROGRAMME:

Outcome Based Education: The Curriculum and Syllabi under Regulations 2016 is designed keeping in mind the Outcome Based Education (OBE) and Choice Based Credit System (CBCS). The course content of each course shall be fixed in accordance with the Program Educational Objectives (PEOs), Program Outcomes (POs) and Course Outcomes (COs). The CBCS enables the students to earn credits across programmes and provides flexibility for slow and fast learners in registering the required number of credits in a semester

Preliminary Definitions and Nomenclature

Degree / Programme : A course of study leading to the award of a degree in a discipline.
(Eg. MSc/MCom)

Branch : The Discipline / Course of Study (Eg. Computer Science, Commerce with Computer Applications, Information Technology)

Curriculum: - The various subjects that a student should study in a particular Branch

Course: A subject offered under the degree programme. It means a theory or practical subject that is normally studied in a Semester.

Credits: A unit of measurement based on the contact hours, quantum of the subject matter and complexity of the content. The weightage given to each course of study (subject) by the experts of the Board of Studies concerned.

Outcome Based Education: “Outcome Based Education (OBE) Process” to ensure that the required outcomes (knowledge, skills and attitude / behavior) are acquired by the learners of a programme. With the OBE process in mind, our educational system has been framed to provide the needful scope for the learners through the CBS that will pave the path to strengthen their knowledge, skills and attitude / behavior.

Credit System: The course of study under this regulation, where weightage of credits are spread over to different semesters during the period of study and the **Cumulative Grade Point Average** shall be awarded based on the credits earned by the students. A minimum of **90 credits** are prescribed for the Postgraduate Programme (Two years). **The curriculum of every programme is designed with total number of credits ranging from 90-100.**

Choice Based Credit System: All Undergraduate Programmes offered by the College shall be under Choice Based Credit System (CBCS). This is to enhance the quality and mobility of the students within and between the colleges affiliated by recognized university in the country and abroad.

Head of the Institution: Principal of the Institution.

Head of the Department: Head of the Department concerned.

Controller of Examinations: The authority of the Institution who is responsible for all activities of the Examinations.

University: Affiliating University.
