#### 1.4 - Feedback System

##### 1.4.1 - Whether structured feedback received from all the stakeholders.

Students	Yes
Teachers	Yes
Employers	Yes
Alumni	Yes
Parents	Yes

##### 1.4.2 - How the feedback obtained is being analyzed and utilized for overall development of the institution? (maximum 500 words)

##### Feedback Obtained

Sri Ramakrishna College of Arts and Science College follows a standard Feedback System which helps in evaluating each sector of the academia and leads for the betterment in all the sectors. The college offers 20 Undergraduate Programmes and 9 Postgraduate Programmes and in each programme,

every teacher's performance is evaluated through the students' feedback. At the middle of the semester, students submit their online feedback. The feedback is based on five important areas: Subject knowledge, Clear explanation, Usage of ICT tools, Extra input related to the topic and Student Teacher Relationship. The feedback received from the students are immediately evaluated with the help of online statistical tools and handed over to the faculty members individually through the Heads of the Departments. The feedback received is converted to 4point scale The college offers an appreciation certificate to the teachers who get A Grade in the feedback and motivates them. The teachers who score B Grade are guided and counseled by the Head of the Department and the Dean to become the best. The performances of the teachers who get C Grade D Grade are critically reviewed and counseled by the Head of the Department, the Dean and the Principal. Also they are advised to undergo trainings to upgrade their teaching and knowledge in the subject area. Senior teachers help them to mend teacher student relationship. The teachers who receive D grade are very less in number, yet, by considering the benefit of the students, the institution does not encourage them to continue teaching the subject. The Alumni are the true ambassadors of the college. The College receives feedback from alumni on the areas like curriculum, training, research and placement and is helpful in bridging the gap between the industry and the institution. Parents are the important stakeholders and the representatives of the college. At the end of the graduation the feedback is collected from every parent and used for evaluating the value of the institution. The college makes it mandatory to collect feedback from every guest and the dignitary and the record is maintained in each department. The recommendations and suggestions given are evaluated and immediately put into practice. Board of Studies of each department consists of a member from industry, alumni, and student community along with subject experts and University Nominee. Feedback is collected from each member of the Board of Studies and analyzed by each department. The feedbacks and suggestions are analyzed during Board of Studies meeting, Academic council and Governing Council Meeting and considered for implementation.

## 2.2 - Catering to Student Diversity

### 2.2.1 - Student - Full time teacher ratio (current year data)

Year	Number of students enrolled in the institution (UG)	Number of students enrolled in the institution (PG)	Number of fulltime teachers available in the institution teaching only UG courses	Number of fulltime teachers available in the institution teaching only PG courses	Number of teachers teaching both UG and PG courses
2018	3423	341	125	22	32

## 2.3 - Teaching - Learning Process

### 2.3.1 - Percentage of teachers using ICT for effective teaching with Learning Management Systems (LMS), E-learning resources etc. (current year data)

Number of Teachers on Roll	Number of teachers using ICT (LMS, e-Resources)	ICT Tools and resources available	Number of ICT enabled Classrooms	Number of smart classrooms	E-resources and techniques used
179	179	115	83	16	16

### 2.3.2 - Students mentoring system available in the institution? Give details. (maximum 500 words)

The knowledge, advice, and resources a mentor shares depend on the format and goals of a specific mentoring relationship. A mentor may share with a mentee information about his or her own career path, as well as provide guidance, motivation, emotional support, and role modeling. A mentor may help with exploring careers, setting goals, developing contacts, and identifying resources. The mentor role may change as the needs of the mentees change. Some mentoring relationships are part of structured programs that have specific expectations and guidelines. The concept of mentoring is simple, but successful implementation can be challenging. Characteristics of effective mentoring to include the ability and willingness to

- Value the mentee as a person
- Develop mutual trust and respect
- Maintain confidentiality
- Listen to what is being said and how it is being said
- Help the mentee to solve his or her own problem by giving than right directions
- Focus on the mentees development.

Serving as a mentor brings many challenges and rewards, with the best mentors working to shape their mentees into other leaders, rather than just good followers. If done well, the longterm impact of mentoring can offer life and career changing benefits to both parties. Mentoring and Coaching are Similar but Not the Same. The College maintains a Tutorial Record for recording the progress and problems of students. It gives a complete data about the student. From 2019 to 2020 onwards, a Mentor manual is maintained to record the Students details, Analysis of mentee and the Development plan based on his Strength, Weakness, Talent, Threats, One year goal, Three year goals, overall career goal and responsibilities. Periodic counselling is extended to Mentee in Academic issues,

Extracurricular activities etc and suggested solution with action plan is recorded in frequent intervals. A mentor can make a real difference in your career and life. Come to the relationship with realistic expectations about the role and a willingness to work hard. The impact of a mentors guidance and wisdom now may not be felt for some years to come, but the students will realize its positive impact over time and go on to become a mentor to others.

<b>Number of students enrolled in the institution</b>	<b>Number of fulltime teachers</b>	<b>Mentor : Mentee Ratio</b>

##### 4.4.2 - Procedures and policies for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc. (maximum 500 words) (information to be available in institutional Website)

The college identifies the need for budget allotment for the annual maintenance of the various infrastructure facility and has established system and procedures for maintenance. The college has Campus Maintenance Committee with a convenor and five members to supervise all the maintenance and repair activities of physical infrastructure of the college. Full time staff have been appointed for supervising the maintenance of the campus. They take care of maintaining buildings, lighting, plumbing, electrical, carpentry, gardening, minor repairs, alterations of classrooms,

lab, office, etc. There are gardeners, sweepers and mechanics to maintain the infrastructure. The college appoints contractors and workers for major maintenance and repairs of building, renovation etc. Annual stock verification committees recommend the articles for repair/condemnation.

There are effective solid, liquid and waste management systems available in the institution. Rainwater harvesting units and environment conservation panels are periodically checked and maintained. There are adequate dustbins available throughout the campus with colour distinction for the segregation of biodegradable and nondegradable waste. The laboratories in the college are fully equipped according to the academic needs and the statutory rules. Before the commencement of the academic year, a lab audit is conducted and a report on the requirement of the new equipment and replacement of obsolete equipment is prepared. Purchases are made through sealed quotations. Fire safety equipment is maintained in all the laboratories as a precautionary measure. Lab equipment maintenance, service and repair are supervised by the Lab assistants/technicians.

Regular maintenance is done through AMC. A Library Advisory Committee exists for the optimum functioning and improvement of services. All the books, journals, online data base or any other learning resource are added only after a rigorous scrutiny by the subject experts. Reliable vendors are chosen based on their response to the queries, availability of books and adherence to the terms and conditions. The books in the library are accessed, stamped and then shelved. Periodic Book binding is carried out to prevent the damage of books. The books are scientifically protected from rain, dust, insects etc. Computer Services Team of computer experts regularly take care of computer lab maintenance. Internet connectivity is supervised by the technical analyst. For valuable items and special equipment, the institution has AMC with the suppliers. The hardware related problems and power backups in computer centers are maintained by service engineers on call through the AMC. Sports Committee is constituted to handle the matters related to sports and games like budget preparation, organizing, planning and executing the conduct of competitions and sports meets. Purchase orders are placed to competent suppliers for the supply of required sports articles. Cutting, cleaning and maintenance of various grounds are regularly taken care. First aid kits are always available in any emergency.

### 5.3.2 - Activity of Student Council & representation of students on academic & administrative bodies/committees of the institution (maximum 500 words)

The Student Council known as 'Manavar Manram' enhances various skills of students, right from the election of Office Bearers and their installation to Organisation and Administration. Chairman from the final years and Secretary from the second years are elected through online mode. They file their nominations through the Head of the Department, introduce themselves to the gathering with their election manifestos in the auditorium. The installation and the intra collegiate competitions mark the beginning of activities of the students' council and culminate with the grand Inter Collegiate Festival called Scenario. Other activities include • Involving in Social Work • Helping in the day to day affairs of the College • Celebrating Teachers' Day and honouring teachers • Conducting Intra and Inter Collegiate Competitions in the Campus • Conducting 'Junior Scenario' an inter School Competition • Conducting 'Buster's Meet' - an inter School Volley Ball Meet As members in the academic body Board of Studies -students' views and suggestions are taken into consideration while framing and revising the Syllabi. Their Feedback on the Faculty - about their teaching, the knowledge about the subject and the use of ICT tools in imparting knowledge and evaluation plays an important role in raising the standard of teaching learning process. Their involvement in the activities of the Department, in organising various Cocurricular and Extra Curricular events, increases their ability to organise, to work with teams and lead thereby enriching their holistic development. The students are inducted into the Committees like Internal Quality Assurance Cell (IQAC), Internal Complaints Committee, Anti Ragging Committee, Hostel Committee, Sports Committee and Class Review Committee as a representation of Students' community. The students are not only active as members in various committees but also involve in nearly 30 clubs functioning in the College - both Cocurricular and Extra Curricular. They also organise many programmes through their respective Department Associations which enrich them with the recent developments in their specific domains. The students' participation is not only restricted to activities within the campus but also outside by being members of the academic bodies like CSI (Computer Society of India).

### 5.4 - Alumni Engagement

#### 5.4.1 - Whether the institution has registered Alumni Association?

Yes

Alumni Association plays an important role in the College. It bridges the gap between the Campus and the Corporates. They not only guide the students with their experience but also enrich the syllabus content with their involvement and suggestions in the respective Board of Studies. Though the Alumni get together and interaction with the current students have been a part of our institution for a long time it became a registered association on the 4th of June 2015 with a name "SNR SONS COLLEGE ALUMNI ASSOCIATION" and the register number is 193/2015. The number of registered Alumni grew steadily from 20 members in June 2015 to 4023 till date, with an addition of a Chennai Chapter in February 2019. Every Graduation Day is a Day of Celebration for the Alumni as they have a separate Alumni get together in their respective departments. Their involvement includes helping us as resource persons, helping in placements by hiring our students and helping the deserving students financially by the way of offering scholarships

#### 5.4.2 - No. of registered Alumni:

823

#### 5.4.3 - Alumni contribution during the year (in Rupees) :

177000

#### 5.4.4 - Meetings/activities organized by Alumni Association :

Though the Alumni get together and interaction with the current students have been a part of our institution for a long time it became a

registered association in 2015. Every Graduation Day is a Day of Celebration for the Alumni as they have a separate Alumni get together in their respective Departments which was held on 28th July 2018 this year. New members are also added during this time. Apart from this, Annual Alumni meetings arranged by the College are well attended and the highlight of this year 2018 and 2019 was the inaugural of the Chennai Chapter in February 2019 with 80 participants. Coimbatore Mega meet of the Alumni Association was held on 3rd March with a total participation of 450 alumni. Reunions after 25 years are also a regular feature for some of the departments which exist from the beginning. This year the silver jubilee Alumni meets were conducted for the Catering Science Hotel Management and Computer Science Students of the 1990 and 1993 batch on 21st July and 26th August respectively. Other special meets conducted during this year department wise were B.Com. (PA) on 11th August 2018, Physics on 11th January 2019, M.Sc. Electronics on 29th March 2019 in which there was an overall participation of 72 alumni. On 15th April 2019, there was an alumni induction programme for the 2016 to 2019 batch students addressed by the President of the Alumni Association Dr. R. Prabhu. Members of the Alumni, individually take time to be with our students to encourage, empower and enlighten them with the recent developments in their own domain. Alumni have contributed Rs. 1,77,000 this year towards the scholarships to the deserving students for their education.

## CRITERION VI - GOVERNANCE, LEADERSHIP AND MANAGEMENT

### 6.1 - Institutional Vision and Leadership

6.1.1 - Mention two practices of decentralization and participative management during the last year (maximum 500 words)

Decentralization and participative management is followed in all the areas in the functioning of the institution, involving operational and functional area, Academics, Participatory leadership in policy making, bringing Reforms in the regulations of college, decisions regarding college timings, Pre -BOS meetings, curriculum development, conducting FDP, introducing additional course and organizing professional development programmes.

1. Operational Autonomy : The college has School concepts in decentralizing its functions for efficient management. Deans of each school (Computing, Commerce, Management, Science and Humanities ) take care of the functioning. Authority and responsibility are shared with deans in the functioning of the respective schools. The Vice Principal, is entrusted with the responsibility to share the functioning of administration. Beginning of every financial year, the requirement of financial resources are deliberated in the budget meetings. Dean of the schools review the financial budget, have discussions with the Principal with collective alternatives and opinions for effective and quick decision making, including decisions related with operational efficiency of the institution. HODs are responsible for curriculum designing, conducting conferences, workshops, seminars and symposia.

2. Academic Autonomy : Academic activities are decentralized and responsibilities are shared viz, Responsibility of Member secretary Academic Council takes care of curriculum designing, courses offered, outcomes of the courses and conducting of Academic council meetings. Deans and HODs are invited for the Academic council meeting along with the nominees and university representatives. Chairman of Board of studies is empowered to design the curriculum for their respective disciplines and thereby take decisions with other members in the BOS meetings. They also decide the evaluating pattern of the syllabi in consultation with the subject teacher / expert and have the power and authority to implement them. (e.g, to decide on theory/ online/ viva / practical/ internal evaluation etc). Suggestions are received from the faculty members to improve curriculum designing in common courses, teaching methodology, examination pattern, maintenance of academic records and student welfare. Every department comes under decentralized management mechanism, which has course coordinators at UG and PG level to look after the activities of each programme. Each faculty reviews their own syllabus, content designing, subject delivery, seminar and activity. Structured committees take decisions at department levels: Department Academic committee, Program Assessment committee, Board of Studies, Class Review Committee and Student committee. The views of students and alumni are involved in Committees including IQAC. Effective governance and its actions: 1. Encouraging the participation of key stakeholders in decision making (Alumni meeting, Board of studies, Academic Council ) 2. Provide decentralization of authority to Deans of various Schools, delegation of power to Vice Principal. 3. Maintaining transparency, accountability, and democratic process in all the academic activities.
