Sathuranga Vallabhanathar, the deity of chess

A temple at Thirupooanur represents T.N.'s historical connection to the game

S. GANESAN

An ancient temple of Lord Shiva linked to the game of chess at Thirupooanur, near Needamangalam, in Tiruvannamalai district has garnered public interest ahead of the Chess Olympiad, scheduled to begin at Mamallapuram on July 28.

The presiding deity of the temple goes by the name of Sathuranga Vallabhanathar, an expert in chess. *Sathuranga* is the Tamil name for chess.

Legend has it that Lord Shiva was called Sathuranga Vallabhanathar after winning the right to marry the daughter of a local king by defeating her in a game of chess. The princess, Rajarajeswari, is believed to be an incarnation of Goddess Parvathi.

As his daughter was a genius at chess, the king had declared that he would give the hand of his daughter to anyone who defeated her in the game. As none could defeat her, a worried king prayed to Lord Shiva.

The Lord was said to have appeared in the guise of an

old man/siddhar, surmounted the challenge to defeat Rajarajeswari in the game and later shed his disguise to marry the 'Goddess'. The temple also houses a rare shrine for Chamundeeswari, who is said to have been sent

as a nurse to Rajarajeswari, in Tamil Nadu. Tamil Saivite poet-saint Tirunavukkarasar had sung in praise of the temple in Thevaram. "The vimana of the main deity seems to be of a later period; probably belongs to the 13th or 14th Cen-

tury. Eleven inscriptions have been copied from the temple by the Department of Epigraphy, Mysore (now Mysuru), in 1946-47. They roughly date back to the 13th to 16th Century and belong to the periods of the later Pandyas and Vijayanayagar kings. Most of the inscriptions are fragmentary or damaged and mostly pertain to endowments," said R. Kalakkovam, director, Dr. M. Rajamanickanar Centre for Historical Research, Tiruchi.

"The temple documents that chess was played in Tamil Nadu even 1,500 years ago. Chess in its early forms originated in India and travelled to Europe, though it did undergo some minor changes," said Thiruvadikudil Swamigal, founder, Jothimalai Irapani Thirukoottam, a forum of devotees, who performed special poojas at the temple recently, praying for the successful conduct of the Olympiad.

This was an opportunity to highlight the temple's heritage and Tamil Nadu's historical association with the game as the country was hosting the Chess Olympiad for the first time, he said.
