

Stress Buster

True happiness is when we make someone happy. Embracing this philosophy, the IQAC and Alumni Association jointly organized stress-buster activities for our office attenders on August 27, 2022, in the open cafeteria.

The event aimed to provide relaxation and joy to those who tirelessly support the smooth functioning of our institution. One participant shared, "It was a refreshing break from our daily routine, and we felt truly appreciated." Another attendee expressed, "The activities were fun and engaging, and it was wonderful to unwind and connect with colleagues in a relaxed setting."

By prioritizing the well-being of our office attenders, this initiative fostered a sense of community and gratitude, highlighting the importance of caring for all members of our college.

Alumni Achievement:

Our proud Alumni Mr.Prasannakumar , 2016 batch UG Physics & 2019 PG Electronics in SRCAS received second place in Poster presentation in young scientist conference under the theme Frontier Science in IISF 2022 organised by Department of Science and Technology, VIBHA, United Nations RCB, CSIR, Ministry of Earth Sciences, Department of Space, Department of Atomic Energy, Department of Biotechnology.

Alumni visit

Our Alumni from Master of Computer Applications,Batch 1998-2001 (MCA) Mr Roy John, Teacher in Higher Secondary School ,Thrissur visited our campus on 24/12/2022 .Our alumni had a wonderful time on our campus with his family members and it is always a pleasure hosting our alumni and to see them recollecting their student memories!!!!

Alumni Awarded

We are thrilled to announce that our esteemed alumnus, Mr. Ajith, received the *Best Innovative Baker of the Town* award on December 10, 2022. This accolade recognizes his exceptional creativity and skill in the culinary arts.

Upon receiving the award, Mr. Ajith said, "This recognition is a testament to my dedication and passion for baking. I'm grateful for the support and encouragement I've received from my alma mater." He also added, "Innovation is key in baking, and I strive to bring new flavors and experiences to my customers."

Mr. Ajith's achievement highlights the remarkable talents of our alumni and serves as an inspiration to our current students, showcasing the diverse paths of success that stem from our college.

Alumni Meet :

The UG Computer Science batch of 2014 to 2017 recently returned to interact with our PG Computer Science students, offering valuable insights on attending interviews and becoming entrepreneurs.

One alumnus shared, "It's important to be confident and well-prepared for interviews. Research the company thoroughly and practice your technical skills." Another emphasized the entrepreneurial journey, saying, "Starting your own business requires passion, resilience, and continuous learning. Don't be afraid to take risks."

The alumni also reminisced about their college days, with one fondly recalling, "We had some of the best times here, from late-night coding sessions to fun campus events. These experiences shaped who we are today."

This session was both informative and heartwarming, bridging the gap between past and present students while reinforcing the strong community spirit of our college.

Alumni Visit

We had the pleasure of hosting our distinguished alumni from the Computer Science department, Mr. Sanjay Tiwari and Mr. Prashanth Raghvan, from the 1991 and 1992 batches. Their visit was a delightful occasion, filled with nostalgia and shared memories.

Mr. Sanjay Tiwari remarked, "Being back on campus brings back so many wonderful memories. It feels like just yesterday we were here as students, attending lectures and working on projects late into the night." Mr. Prashanth Raghvan added, "The campus has evolved beautifully, yet it still holds the same warmth and spirit. Reconnecting with old friends and seeing familiar places has been an incredible experience."

Our alumni had a wonderful time on our campus, and it is always a pleasure to host them and witness their joy as they recollect their student days. Their visit was a testament to the enduring bond between our alumni and our college community.

Alumni Visit

We were delighted to welcome our distinguished alumni from the 1992-1995 batch of the Computer Science department back to our campus. The visit included Mr. C. Santhanam, Assistant Director of Business Banking at Standard Chartered Bank; Mr. Sanjeev Kumar N, Delivery Manager at Virtusa, Bangalore; T. Janakiram, Technical Business Analyst at HSBC, UK; and Mr. S. Sundar, Data Product Owner in Global Trade, UK.

The alumni had a wonderful time revisiting their alma mater, filled with cherished memories and heartfelt nostalgia. Mr. C. Santhanam shared, "It's incredible to see how much the campus has grown while still retaining the essence of what made our time here so special." Mr. Sanjeev Kumar N added, "Walking through these halls again brings back a flood of memories, from late-night study sessions to the camaraderie with classmates."

T. Janakiram reminisced, "This place laid the foundation for our professional journeys. Reconnecting with old friends and seeing familiar places has been an enriching experience." Mr. S. Sundar expressed, "It's always a pleasure to come back and see the positive changes. The spirit of the college remains the same, and it's heartwarming to be a part of it again."

Hosting our alumni and witnessing them recount their student memories is always a pleasure, reinforcing the strong and lasting bond between them and our college.

Alumni Visit

We were thrilled to welcome our alumni from the 2001-2003 batch of the Computer Science and Master of Business Administration departments back to our campus on November 22, 2022. The visit included Mrs. Ranjini Walter, who works at Regeneren Pharmaceuticals; Mr. Saravanan Viswanathan, Compliance Manager at ICICI Bank, Mumbai; and Mrs. Sumitha, a successful women entrepreneur.

The alumni had a wonderful time on campus, reflecting on their student days with great fondness. Mrs. Ranjini Walter shared, "Returning to the campus brings back a flood of memories. It's heartwarming to see how much has changed yet how the core spirit remains the same." Mr. Saravanan Viswanathan echoed this sentiment, saying, "Being here again reminds me of the vibrant community and the invaluable experiences that shaped my career and personal growth."

Mrs. Sumitha added, "This campus holds a special place in my heart. It's where I built the foundation for my entrepreneurial journey. It's wonderful to see the current students and the progress the college has made."

Hosting our alumni and witnessing them recount their student memories is always a pleasure,

reinforcing the enduring bond between them and our institution.

Alumni Visit

Mrs Kavitha Soundararajan , Our proud alumni of B.Sc Electronics (1996-1999) batch Manager Director - Amarnaath engineering textile machinery manufacturing visited our campus on 13/10/2022. She is a Proud Women Entrepreneur visited our college campus and had a wonderful time in our camps!!!

EC Members Meeting

Members Meeting of Alumni Association was held on 28/0/2022 at 6.00 PM at our Alumni Association Room. SNR Staff Alumni along with Executive Members attended the meeting. Appreciation was given for conducting Almapreneur Meet. Future programmes to be organised from association have been discussed. ROS Filing have been successfully registered for the Academic Year 2021-2022. The meeting ended with thank notes

Alumni Visit

We had the great pleasure of welcoming Mr. Senthil Kumar D, our distinguished alumnus from the BBM 1990-93 batch, back to our college campus on September 23, 2022. Mr. Senthil Kumar is the Founder and Chairman of several esteemed institutions and businesses, including RD International School, RD National College of Arts and Science, RD College of Education, RD Educational and Charitable Trust, RD Vivah Jewellers, and RD Vellai Maalilai in Erode.

During his visit, Mr. Senthil Kumar reminisced about his time at the college, saying, "Being back here fills me with immense pride and nostalgia. The college played a crucial role in shaping my entrepreneurial spirit and laying the foundation for my ventures." He also expressed his admiration for the current developments on campus, adding, "It's incredible to see how the college has grown and evolved while maintaining its commitment to excellence in education."

Mr. Senthil Kumar had a wonderful time interacting with the faculty, staff, and students, sharing his journey and experiences. "I owe a great deal of my success to the lessons and values I learned here," he noted. "It's an honor to come back and see the vibrant community that continues to thrive and inspire future leaders."

Hosting Mr. Senthil Kumar and hearing his reflections on his college days was a joyous occasion, highlighting the lasting impact of our institution on its alumni and the strong bonds that endure over the years.

Alumni Visit

The Almapreneurs Students Entrepreneur Conclave 2022 was honored by the presence of our esteemed alumni, Mr. Suresh Shankar, who visited our campus on September 22, 2022. Mr. Shankar, known for his entrepreneurial achievements, shared valuable insights with the attendees.

Reflecting on his visit, Mr. Shankar expressed, "Returning to my alma mater is always a special experience. It's where my entrepreneurial journey began, and I'm grateful for the foundation it provided." He also emphasized the importance of innovation and persistence in entrepreneurship, stating, "Entrepreneurship is about solving problems creatively and persistently pursuing your vision."

Mr. Shankar's presence at the conclave inspired students to explore their entrepreneurial potential and provided them with practical advice for navigating the challenges of starting their own ventures. His visit underscored the enduring connection between our alumni and the college community, fostering a spirit of innovation and enterprise among the students.

Alumni visit

We were delighted to welcome Chef Anand Ramakrishnan, our esteemed alumni from the 1998-2001 batch, back to our campus on September 2, 2022. During his visit, Chef Anand Ramakrishnan generously assisted our students in securing job opportunities at prestigious establishments like Burj Al Arab and Mandarin Oriental Hotels.

Reflecting on his visit and the opportunity to give back, Chef Anand said, "It's a privilege to return to where my journey started and to help the next generation of culinary talent. I know firsthand the impact a good start can have on a career." He also emphasized the importance of passion and dedication in the culinary arts, adding, "These students have shown great potential, and I'm glad to facilitate their entry into such esteemed kitchens."

Chef Anand Ramakrishnan's visit not only provided invaluable career support but also served as an inspiration to our students, encouraging them to pursue their culinary dreams with determination. His commitment to mentoring and supporting future chefs underscores the strong bond between our alumni and our college community.

Alumni Visit

We were honored to welcome Mr. Sunil Ommen, our esteemed alumnus from the B.Com 1989-1991 batch, back to our college campus on September 1, 2022. Mr. Ommen, who currently serves as the General Manager at Nippon Paints, Middle East and North Africa (MENA) region, had a memorable visit reminiscing about his time at the college.

Reflecting on his visit, Mr. Ommen shared, "Returning to my alma mater fills me with nostalgia and gratitude. The foundation I received here has been instrumental in my professional journey." He also expressed admiration for the college's growth and development, saying, "It's inspiring to see the advancements and the nurturing environment that continues to shape future leaders."

During his time on campus, Mr. Ommen interacted with faculty, staff, and students, imparting insights from his career and offering advice to aspiring professionals. "It's always a pleasure to connect with the vibrant energy of the campus and to contribute in any way I can," he noted. "I hope to inspire students to pursue excellence and embrace opportunities with passion."

Mr. Ommen's visit was a testament to the enduring connection between our alumni and our college community, reinforcing the spirit of mentorship and support that defines our institution.

Alumni Visit

We were thrilled to host Mr. Praanesh Ramakrishnan, our esteemed alumnus from the MCA 2005 batch and Vice President at OCBC Bank, Singapore, on our college campus on August 26, 2022. Mr. Ramakrishnan's visit was a special occasion filled with reminiscence and celebration of achievements.

Reflecting on his visit, Mr. Ramakrishnan shared, "Returning to my alma mater is always a nostalgic experience. The education and values instilled here have been foundational in my career." He expressed gratitude for the opportunity to reconnect with the college community, saying, "It's wonderful to see the growth and development of the campus, and to interact with faculty and students who continue to uphold its legacy."

During his visit, Mr. Ramakrishnan engaged with students, sharing insights from his professional journey and offering advice on career development. "I hope to inspire students to aim high and pursue their passions with dedication," he remarked. "It's important to embrace opportunities and continually learn and grow."

Mr. Ramakrishnan's presence was a testament to the strong bond between our alumni and our college, highlighting the success stories and contributions of our graduates to the global stage. His visit was inspiring and motivational, reinforcing the spirit of excellence and achievement at our institution.

Alumni Visit

We had the pleasure of hosting Mr. D. Balachandar, our esteemed alumnus from the Department of Electronics (1994-1997 Batch) and Competency Lead at Robert Bosch, Coimbatore, on our campus on August 18, 2022. Mr. Balachandar's visit was filled with nostalgia and meaningful connections. Reflecting on his time at the college, Mr. Balachandar shared, "Coming back to my alma mater after all these years brings back fond memories. It's where my passion for electronics began, and I'm grateful for the solid foundation it provided." He also expressed appreciation for the college's growth, stating, "The campus has transformed beautifully, yet it still retains its essence of fostering knowledge and innovation." During his visit, Mr. Balachandar engaged with students and faculty, imparting insights from his career and industry experiences. "It's important to stay curious and continuously update your skills in today's fast-paced world," he advised. "I hope to inspire students to pursue their interests with dedication and embrace opportunities for growth." Mr. Balachandar's visit underscored the enduring bond between our alumni and our college community, highlighting his journey from student to industry leader. His presence was motivational and inspiring, reinforcing the values of excellence and lifelong learning at our institution.

Alumni Visit

We were delighted to welcome Mr. Manoj Walia, our esteemed alumnus from the Catering Science and Hotel Management department (1989-1993), back to our campus on August 17, 2022. Mr. Walia's visit was filled with nostalgia and meaningful connections with the college community. Reflecting on his time at the college, Mr. Walia shared, "Returning to where my journey began is always a special experience. The education and training I received here laid a strong foundation for my career in hospitality." He also expressed appreciation for the college's role in shaping his professional life, stating, "The values and skills I acquired here have been invaluable throughout my career." During his visit, Mr. Walia interacted with students and faculty, sharing insights from his journey in the hospitality industry. "Hospitality is about passion, dedication, and continuous improvement," he advised. "I encourage students to embrace challenges and always strive for excellence in their careers." Mr. Walia's presence on campus was inspiring and motivational, reinforcing the importance of education and lifelong learning in achieving success. His visit highlighted the enduring bond between our alumni and our college, showcasing his achievements as a testament to the quality of education provided by our institution.

Alumni Interaction Program

Hosting the 'Alumni Interaction Program' on August 11, 2022, in our Auditorium was a significant event facilitated by Mrs. R Shobana and Dr. D Santhana Krishnan. This program aimed to foster meaningful connections between current students and alumni, providing valuable insights and guidance.

Mrs. R Shobana remarked, "It's a privilege to reconnect with our alumni and witness their success stories. Their experiences serve as inspiration for our students as they navigate their own career paths." Dr. D Santhana Krishnan added, "This interaction bridges the gap between academia and industry, offering students practical advice and networking opportunities."

The event included panel discussions, workshops, and networking sessions, allowing alumni to share their professional journeys and advice on career development. It emphasized the importance of alumni engagement in enhancing student learning experiences and preparing them for future challenges.

Overall, the 'Alumni Interaction Program' served as a platform for knowledge exchange and community building, reinforcing the strong ties between our alumni and our college while empowering students to strive for excellence in their academic and professional pursuits.

Alumni Visit

We were delighted to welcome back our esteemed alumnae from the Catering and Computer Science departments, who graduated in the 1998-2001 batch, to our campus on August 7, 2022. Their visit was marked by joyous reunions and fond reminiscences of their student days.

One alumna from the Catering department shared, "Returning to our alma mater brings back so many memories of culinary classes and the camaraderie with classmates. It's heartwarming to see how the campus has evolved." Another alumna from the Computer Science department added, "The foundation we received here paved the way for our careers in technology. It's inspiring to see the advancements in the department."

The alumni enjoyed reconnecting with faculty, staff, and current students, sharing their professional experiences and offering advice. "It's a privilege to come back and share insights with the next generation," remarked one alumna. "Our time here was pivotal in shaping who we are today," said another.

Hosting our alumni and witnessing their joy in reliving their student memories reaffirmed the strong bond between our college and its graduates. Their visit served as a reminder of the lasting impact of our institution on their lives and careers, and it was a pleasure to celebrate their successes and contributions.

EC Members Meeting

EC Members Meeting of Alumni Association was held on 20/01/2023 at 6.30 PM at our Alumni Association Room. SNR Staff Alumni along with Executive Members attended the meeting. Future programmes to be organized from the association have been discussed. The meeting ended with thank notes
