

INSTITUTIONAL DISTINCTIVENESS

Highlight the Performance of the Institution in an Area Distinct to its Priority and Thrust

Sri Ramakrishna College of Arts and Science is a 34 year old institution, situated in the heart of Coimbatore city. The institution stands tall in the city in providing holistic education and continues to grow day by day, by upholding its core values.

Parents are attracted by the reputation and value of the institution. The teaching and learning process are carried out with utmost care. Students are trained in a way that prepares them to be placed in reputable companies and meet industrial and societal expectations. The values inculcated by the institution enable them to maintain balance in a rapidly changing modern society.

The institution has established its own Space and footprints in the city, which supports the institution's admission process. The industry integrated programmes are supported by the "Bring Your Own Device Concept", a unique feature that sets the institution apart from other institutions.

The top two rank holders of each programme are identified and provided with financial assistance to complete one SWAYAM-NPTEL course and the credits are transferred.

Course Abroad programmes have been initiated in Malaysia through MOUs signed with the universities and several batches have visited the universities as well. The institution also offers Job Oriented Courses(JOC) and Value Added Courses (VAC) for the students.

The institution consistently supports gender equity and empowers students through various clubs like NSS, NCC, YRC and domain related associations which help to bridge the gap between industry and academia.

Sports scholarships are provided to top performers at the state, national and international levels.
